

Things to get

Hive Stand (2 Concrete Blocks(see Roger 513-677-1255))

Screened bottom board

2 or 3 Hive bodies depending on whether you decide on deeps or medium (Illinois) boxes.

Frames and foundation for the above, Pierco, wooden frames and plastic or wired wax foundation.

Honey Supers with frames and foundation. Two would be nice. Plan on four shallow or three medium by next year.

If you are going to use wired wax foundation you will need;

Wire, eyelets, wire crimping tool, and a wire embedding tool

Inner Cover

Telescoping Outer Cover

Feeder

Queen Excluder (Not Plastic)

Bee Suit and Veil

Smoker

Hive tool (get a couple, they're cheap)

Bee Brush

Nice to have but not necessary:

Frame Holder

Frame Spacer

Frame Lifter

Subscription to Bee Culture and American Bee Journal magazine.
