Thanks to Joyce Croghan for bringing refreshments.

BEEKEEPERS CALENDAR

June

The Bees. Unswarmed colonies will be boiling with bees. The queen's rate of egg laying may drop a bit this month. The main honey flow should happen this month.

The Beekeeper. Inspect the hive weekly to make certain the hive is healthy and the queen is present. Add honey supers as needed. Keep up swarm inspections. Attend bee club meetings and workshops.

Time Spent. Estimate 4-5 hours.

AUGUST PICNIC MEETING:

Start thinking about items to donate for door prizes to be awarded at our August picnic meeting at the Warren County Conservation Club.

USED CONCRETE BLOCKS:

Roger Barton has several hundred used concrete blocks if anyone wants some for hive stands.

Mark Zeiner catching a bee swarm on a concrete pole behind a Fields Ertel Shopping Center near Cracker Barrel on Wednesday afternoon (May 21st). Probably one of his own.
