Adjournment

### MESSAGE FROM MARK:

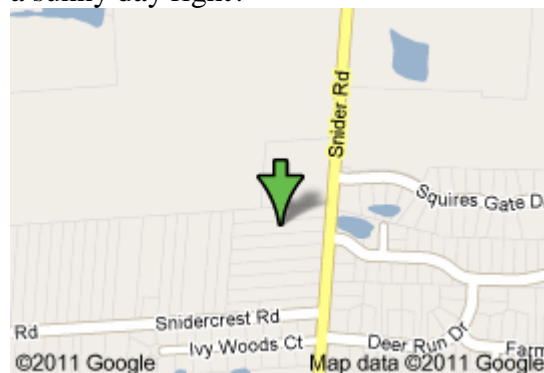

The address is 9305 Snider Rd 45040, if it is dry we will park everyone in the field in the back yard, if it keeps raining and the field is wet we might have to park everyone at the park across the street.

Who would have thought that we would have to worry about a wet field for the June meeting?

I can use the van to bring people over if we need to.

If anyone gets lost we can give them my cell number 513-238-6097.

People might want a lawn chair, and a bee suit, \. I do not have restroom facilities here. We are planning on a few tents for shade, it will be a sunny day right?

Lets hope for a sunny day!
